***"Like a tree, my body is..."***

Love Your Tree is an inspiring body image campaign based on the work of feminist writer Eve Ensler. In her play *The Good Body*, Ensler listens to a wise African woman describe the natural beauty of trees, and urges her to stop hating her body and appreciate the diversity. "Eve, look at that tree. Now look at this tree. Do you hate that tree because it doesn't look like this tree? You're a tree, I'm a tree. You've got to love your body Eve. You've got to love your tree!"
